“Where there is no vision, the people perish” (Proverbs 29:18 – KJV)

Introduction

What is a vision (for us as Christians)?

How do I get or test a vision?

What do I do with vision?

As we consider God’s vision in our lives and the life of Christ Church we will be looking at the Old Testament Book of Nehemiah. We would suggest that everyone takes the time in the next couple of weeks to read Nehemiah and pray that God will speak clearly through it.
